**Map Background:** The *Rivers to Ridge* vision was endorsed by the Lane County Board of Commissioners (February 2003), The Eugene City Council (March 2003), the Willamalane Park and Recreation District Board (April 2003), and the Springfield City Council (May 2003), all by unanimous consent. The vision map was updated in 2023 based on input from community members, key stakeholder groups, and Rivers to Ridges partners collected during the "Vision Refresh Process". The vision is intended to provide a framework for future open space planning effort and implementation is based on voluntary property owner participation.
